### BY CHANGON'S SORMAN, 197 Towns STREET.

MONDAY MORNING, MAY 27, 1-50.

If a There are two or three suspicious characters prowling about town, whom it would be well for our citizens to have their exist pon; the only safe course a to keep your does always festened, and in this way you will be sure that no one orders your houses who is not counted to admittation. Is you has pan to eaten a fellow in your en rry conjugates to the Brown," or "Mr. Jet est" or "Mr. Smith," just beet him into the street, without thy ceremony, and fasthe the door upon him. This is the best eautionary medicine for such gentry.

We have a word to key in regard to ano ther class of persons who make mglit lideour by their yelling, and who are constant by distorbing the peace of families by their teals h devil ty, such as ringing door-bells, mahanging blads a diremoving them to vayour parts of the town, and a variety of such intellectual and highly certicated amusenents. We earnot conceive what sense or Pasure there can be in such fautte the opecorons, for they are altogether too small so contemptible for men to be engaged in. Yet these things are constantly being done, the great annoyance of these who are ele vietuos of the senseless tolly and al, should be feelingly instructed in the that court.

.. The last number of the Providence ili rald has an article on Lawyers, and argoes that they are " rather a tex open the people;" perhaps they are, Jur it is not very Long since we saw the editor of the Berald to a position, where he gladly called some or them to his reserve.

steiner, Mr. O. V. Hollenbeck, for the fallowing summery of the important intell's gence brought by the arrival.

General Lopez band Lat Carder is, about of sety males from Playaru, or the 17th fast with about 500 mea and make pessession of the town. The garrison consisted of one company of about 60 men, who made but a slight (custance, were driven lette a chutch and after losing three killed, surrendered.

The general haded in the steamer Creole, which left New Orleans on the 7th

Several other vessels containing in all some 1200 or 1500 men, bad left New Orleans, previous to the Cicale, last where they are to land is not known

The greatest excitement prevailed at Havana, amounting to a patie. The city was under martial law, and several mousand militia had been enrolled and a me were hency delivered to them. The resident forcigners were called on to cuto!.

There were 1500 troops at Mataszas, and 800 despatched from Hayana, at 1 o'eleck A. M of the 20th, to reinforce them and march against Lopez.

It was reported that the force under Lo per had merenald to 2000, and that he was already half way to Malany is.

On the 16th news was received that a large ferro was collected or "Woman's Is-Jand, " meav Catoche, Yosasan. "The Gen case than children prants of those who craft of Marines, with several vessels and Lette know be der, and who, if they do platour 2000 men stated immediately for

Just before the Obje left, the Speakli steamer Pizitro come in with 10a prisonsa taken from that island. It was said that they were mostly Germans and Trish.

The report was that they were to be shot that day at 12 o'clock, or at least every teath man shot, the remainder conford in the dunge as of Morn Castle.

The torce on the Creaks with which Graeral Lopez effected the landling is only a small part of the expedition. It is known that some ten or twelve vessels have left New Orleans and different parts of the Gulf, probably to land smarteneously of different points.

It was reported that Lapez had broken up the railroad to Cardenia in several places. The merchants and bankers in Havana were remove g their movey to the fort for

safety. The Ohio, Georgia and Paleon were compelled to anchor at the entrance of the harbor. Captain Schene's protested through the American roused to the Copyria Copper at, and demanded a safe archorage, but was relased, and told that he might on to sen e

Nouv of the passengers, except those having passports, were permitted to go on No continuiteation was allowed between the passengers, not even hetween thu officers and the town, until a primit was obtained from the Captaia General.

The Ohio was obliged to with more than fifteen hours for a permit to transfer her passingers, after she was ready for sea-

The Ohio brings no later intelligence from California, there having been no larre val on the other side since der. Fist advices, brought by the Georgia.

The Falcon, two days from Chagres, arrived at Havana on the 18th, and the Georgia on the 19th. But were to sail the foling day-The Falcon for New Orleans and the Centgia for Chagtes.

The Falcowleft Chagres on the 19th and Porto Bello the div after. The Crestent City arrived at Chagr's on the 12th, and was advertised to sail on the 15th; but as the steamer Tennessee was hourly expected at Panama, with two weeks buter intellygence from California, she did not probably leave till next day.

The steamer Columbus arrived atl Pana nix on the 7th all well, 81 days from New York. She made a very fine passage but, her rouning time terms only 61 days. She of tobbery in Newport, has been seed was to soft on the 15th, for San Francisco, and to ten years approximated in the crowded with passengers. The second representation of the control was Point and passengers.

The Ohio brings, 147 passengers, 15, of a partiest of his Hower, Judge Stuples, Trues Strongen worth of gold this, and spaces, 226 projectively hapterfor War. Hoge & Co. of the city, and amout \$150,

OFF FOR ALL FLOVEN STAR - The Amerman Artic Expending constron of the Access and the Resear, fitted out by Mr. Drive E. in expendion with the United We are much indebted to the nierk of the | Senies Toverenment, were towed from the Brooklyn Navysyard at moon yesterday, and moved showly down the Bay ti'l they vanished from the sight of our Cay through the Narrows. Mr. Grimelt was an bould, intending to becompany the vessels some d stacke to real and return in the pilot-heat. After his return we shall probably not hear of the Expedition for months, coless through some whaler which may be met in It dha's Bay. God speed to the daring adventurers in their perflors critical to the icebound seas of the Pole !- N. Y. Tellane.

> $A_N$  Exercise Incident,—A man by the name of Thomas Brown, residing, we understand, at Waterford, met with a most thrilling escape from death on Wednesday last. He was crossing the Mohawk river at this place on a can'd heat, and when about one-third of the way over became entaugled in a coll of rope, and was precipitated overboard. He was carried under the boat a distance of about 150 feet to the state dam, which is ten feet high. The corrent being very strong, he was borne with fearful rapidity, and was watched [ by the speciators, on the banks , with the most intense anxiety. He was a and swimmer and retained his presence of mind, and upon reaching the las arrived at Sacramento Cuy. dam endeavored to gain a footbold, but was lunded like a teather into the boiling surge among the rocks below.-Not being seen for some time all hopes of his escape were lost, and every eye take 10th April, and reported that a regular was strained to discover his body on the rapids. But to the surprise and juy to all, he soon emerged alive! and from the Indians in the vicinity. struck holdlyfor the island below, as he was borne swiftly down. On this be soon landed, and assistance being promptly rendered, he rejoined his friends, without a single bruise, to tell of a feat which could not have been thus jettely accomplished once in a thousand times, and which well deserves to be chronicled as a rare instance of presence of mind in great danger, attended with most striking providential fasor. - Colores Cutaract.

RESISTING A CORONUE'S INQUEST. At Louisville, on the 11th ult, the Coroner was summoned, and he in turn summoned a jury, to hold an inquest over the supposed dead body of Davis, a man who had been shot. Upon arriring at the honse, he met the dead man in the door, alive and well, and determined to resist all aftempts to sit on his

A subscriber to the Burlington Sentinel recently paid his 43d year's subscription to that paper. He should | thin of April.

A RECORDER OCCURAGES -- The Hagerstown, Md. Pledge states that on Saturday night last, some field in homan shape entered the Episcopal burying ground in that place, dug up the bedy of the child of Mrs. Brining, and carrying it to the house where the mother fixed, stood it up on the roof of the back-over, where it was discovered on Sunday afternoon, and reinterred. The child at the time of its death was about two years old, and had been baried 2 months.

OLD STYLE HVWSS. -- The following verses are correct specimens of the lyams sang in Congregational churches befor the days of Dr. Waits, and which were gradually made to give Love Geometric.
